Spirit Still Exists and Team

Will Be a Reality. Special Despatch to THE Sev.

New Haven, Conn., Oct. 23.—Yale is face to face to-night with that old question of supply and demand. But the old Yale spirit is going to bring about a solution. With a spectacular leads to the first to get in the first attempt, after with the first attemp solution. With plans complete for the organisation of an informal university organisation of an informal university football team composed of upper class men to play games with other colleges and the elevens from the military training camps candidates met at the ticket office this afternoon in answer to the first call.

About a score of men physically capable of withstanding the rigors of

who has taken the place of Tad Jones counted three times, putting him in the last few as coach, believing that the notice of the call had been too short, immediately issued another call, and to-night, with players neck and neck till the last few all other students safely tucked in their linnings. beds, candidates and coaches and advisers are meeting on the campus. They are confident that before dawn breaks

First Yale's team will be a reality.

to-night will draw out enough men to fill up a large enough squad to furnish the informal team which the university is planning to put in the field. The point, however, which I wish to emphasize is this: That it is the desire of every man in the college to have a team, and the only thing which will prevent them from organizing one will be the shortage of material."

The champion settled the game then and there with execution that aroused great enthusiasm among the onlookers. He made two reverse English shots along the side cushion that brought down the house, the cue ball writhing be the shortage of material.

Dr. Brides, the coach, feels the same

way about it. Early to-night he and his assistants were busy routing out every Yale man who has a hankering for the sport and appears capable of being turned into suitable material. Student organizations have added their Student organizations have added their weight and are working hard to make the team a reality. Officials of the Reserve Officers Training Corps, of which nearly every man in the university is a member, have agreed to allow football candidates to drill in the morn-ing instead of afternoon in order that they may attend football practice

So far no list of candidates has been omplied, but the coaches believe that if enough men present themselves they can put out a team that will have the old Yale punch.

trict progressed to the semi-finals yes-

men, wars, athletics and recreation, football has stood up splendidly this auterday on the courts of the West Side Tennis Club 'at Forest Hills, Two rounds of the junior doubles were also tumn, and with Yale's decision to organize an informal eleven the season is bound to wind up in a blaze of glory. Pootball is too virile, too attractive and too healthy a game to remain in the background. The very autumn air is its almost completed.

Vincent Richards of Yonkers, the fourteen-year-old boys' national champlon, starred in both singles and doubles. In the singles he curplayed M. Shapiro by neat placements and good judgment and won in siraight sets at 5—2, 6—2. Shapiro had done well in the curpose and both the complete the started of the complete the comple almost completed The football authorities at Harvard have made it plain all season that Yale or Princeton could have games for the mere lutimation that they wanted to play. Yale gave that intimation rather strongly when on Monday night its Harvard nor Yale is likely to play any other college before they meet late in 5-2, 5-2. Shapire had done well in the tournament before meeting the champion. He had beaten two oppo-ments without losing a set or even per-mitting a deuce set, but he proved no nuatch for the Yonkers lad. Alded and abetted by A. Bassford, who is also in the boys' class, young Richards invaded the junter doubles take it for granted that they will meet in the Yale bowl and not in the stadium, where under ordinary conditions they would play this year. The bowl can accommodate about \$0.000 persons, who would contribute semething like \$240,000 were they asked to pay \$3 a seat for the Red Cross or a similar and won a match in straight sets from two strong juniors, L. Davidson, who is regarded as likely to win the junior singles, and P. L. Kynaston. This match was undoubtedly the best exhibition of tennis during the day. Young Bassford played a steady game, while the charmon lightly so the control of the charmon. When the possibilities for financial aid for the Red Cross, families of men in the trenches and other war charities are considered it seems hardly credible that Yale, Harvard and Princeton and Secretary of War Baker should even for one moment doubt the advisability of playing the big football battles the champion, lightning quick on his feet and displaying remarkable "tennis sense," routed the older boys by his

The football coach can teach his players the mechanical fundamentals of the game and the manner of executing various managuvres, but he takes it then we get striking examples of the well known fact that a great many of entire Union eleven last Saturday standing by and permitting Columbia's kickoff to roll over the line on the supposition that it was a touchback, while S. Schlesinger in the second round of the boys singles. After playing for nearly three hours, most of the games reaching deuce, Maddocks won. The score was \$-6, 2-6, 6-4. By an early start this afternoon the referce, Frederick E. Alexander, hopes to play both semi-finals and finals in the two singles tournaments.

The Summarics.

BIG SHAKEUP AT CORNELL BIG 'SUN' FUND MEET ON TAP TO-NIGHT

Great Military and Athletic Bill for Carnival in 13th Regiment Armory.

By GEORGE B. UNDERWOOD. Would you like to see how the hand grenades and the trench bombs which are playing so prominent a part in the warfare "over there" are sent on their mission of death? Would you like to see how our Sammies will go "over the In top" when the red day comes and the American expeditionary forces start the big advance? Would you like to see our brave, bronzed boys in khaki in bayonet exercise and trench drills, watch the cream of the Eastern athletes in assaults on Father Time and the Record Book, and all the time be gratified to know

that the money you pay for admission will gladden the heart of some Yankes soldler far across the seas? If so, all you will have to do is to trolley, subway. "L." motor or hike to the Thirteenth Regiment Armory, Brooklyn, to-night, where the military and athletic

clans gather for the big Sun Smoke
Fund Carnival.

How do they throw the hand grenade?
Fort Siccum. Fort Totten, Fort Hamilton, Fort Wadsworth. Fort Jay and Fort More than forty players took part in the last one day tournament of the Women's Metropolitan Golf Club yesterday, at the Westfield Golf Club yesterday.

There was the usual nedal play handiuable prizes brought back to their fort.

> How They Go "Over the Top." How do the soldiers scale the ram-parts and high walls thrown out in front of the trenches? The champion wall scaling team from Fort Wadsworth, which last summer defeated the teams from six other cantonments, will go "over the top" to-night to show you.
>
> How do the new bayonet exercises differ from the old? When, under cover differ from the old? When, under cover of the artiflery barrage, the infantry charges across the wastes of No-Land how do the Sammies scatter and take advantage of cover? Two

companies from Fort Hamilton will give an exhibition of advanced bayonet fight-ing and open order skirmish drills in the Thirteenth to-night.

Atop of all the inilitary stunts that will be seen at Tire Sun Smoke Carnival there will be a series of athletic events in which the crack athletes of the met-ropolitant statics all strike for the home ropolitan district will strive for the honors and the handsome prizes donated by members of the Milrose A. C., Col. Walter Scott and other patriotic and generous citizens.

The Soldlers Know!

Col. Sydney Grant of the Thirteeuth Coast Defence Command generously donated the use of the Thirt-eath Res-iment Armory for the occasion and ment Band on the side. The soldiers know what THE SITE is doing for our boys over there! These soldiers know how the Sammies 'cross the seas long Two of the athletic tentures of the
